

## LEER Workshop on Education Economics

*This workshop seeks to explore the use of economic and econometric techniques to study educational issues.  
We invite the submission of original research from colleagues working in the area.  
Both macro and micro-economic topics are of interest to this workshop.*

### Deadline Call for Papers: January 15, 2015

The workshop itself will take place on April 2-3, 2015, and is organized by research center 'Leuven Economics of Education Research' (LEER) of the Faculty of Economics and Business at KU Leuven.

#### Call for Papers

The workshop includes oral and poster presentations. For all types of proposals, speakers are expected to send a minimum 200-300 word structured abstract to [ann.vanespen@kuleuven.be](mailto:ann.vanespen@kuleuven.be) until **January 15, 2015**. Authors will be notified on acceptance by January 22, 2015.

#### Keynote speakers

**Stephen Machin**  
University College London

**Tommaso Agasisti**  
Politecnico di Milano

**Elena Del Rey Canteli**  
University of Girona

**Geraint Johnes**  
Lancaster University

#### Venue

**Faculty of Economics and Business**, Naamsestraat 69, 3000 Leuven, Belgium
